

St Bede School

Supply List: Grades K-8

It's shopping time!!! You can help your child to make the transition to the school days of autumn by doing a very simple yet important thing, namely, by making certain that your child has all of the required supplies on the first day of school and each day thereafter.

More than likely one or more of the supplies listed below will be used completely or lost during the course of the year. Please check with your child periodically throughout the months of school so that you will know what supplies or materials need to be replaced.

Please label each notebook and folder with your child's name and subject on the front. Pencil case with crayons, markers, rulers, etc. should also have your child's name on them.

On the first day of school, the P.T.G. will provide a student planner for each child in Grades 2-8. Please be sure your child's name and grade is visible on the planner.

****DUE TO CHANGES IN SCHOOL SCHEDULES, ADDITIONAL ITEMS MAY BE NEEDED AFTER THE FIRST WEEK OF SCHOOL.**

Thank you for your cooperation. Have fun shopping!!
